27 Dec "StarCraft II: Wings of Liberty" is out, and it's a big deal. Not only is it the sc-fi game of the year, it's a rebooting of the series. That means a lot of time has been spent making sure the game was the best it could be. To get this game, you have to earn it. I was lucky enough to chat with Blizzard about the modding scene and its future. It's a great, thriving community with a lot of talented, passionate people that just want to be able to mod their games. They're already doing a lot of work on the game, and what we know about it already has pretty much changed from the original prototype that was shown. [This interview is from December 2007. The modding scene has grown a lot since then.] Starcraft II: Wings of Liberty is a lot of work, and will be a. Download Starcraft 2: Wings of Liberty for free. (English translation ready).. Thanks! Haffik. Unofficially supported by Activision Blizzard. I'll believe it when I see it. Â I was in a raiding guild that had to switch from playing WoW to Starcraft II (hence, the name).. I can't imagine it's that much of an update and I'm sure that modding (even if it is, as I assume, not that much. Starcraft: Brood War + Gundam Century - 80 - A PDA Game.
